Welcome to a life of leisure and luxury. Welcome to Cielo.

Paradise found.

Comprising just seven three-bedroom, three-bathroom apartments, Cielo is simply unique. The uninterrupted river and city views are, like the residences themselves, without equal. Each residence will be of palatial proportions, superbly appointed in every regard and complemented by the very best amenities. Furthermore, Cielo's exclusive South Perth Esplanade location means this stunning building will come to be known as the definitive city address.

A heavenly lifestyle and location.

Is there a better location in Perth? At Cielo, you'll be just a short stroll from South Perth's finest eateries and restaurants. You'll be able to take a walk along the leafy foreshore on a whim. The best of the city will be just minutes away. It's all yours to enjoy at your leisure, just like the amazing facilities on your doorstep. For instance, Cielo will boast an illuminated 20 metre lap pool, complete with shower area, sauna and adjoining gymnasium. Then there are the private landscaped gardens, not to mention a luxury barbeque kitchen and entertaining deck, ideal for that impromptu soiree by the river with friends.
