

Ron Edwards & Associates is changing. Again.

1970s

Ron Edwards & Associates opened for business on Newcastle Street. Tough economic times.

1980s

Relocated to the corner of Oxford and Newcastle, operating with Home Building Society.

1990s

Home Building Society de-merged and Ron Edwards & Associates expanded, relocating to 111 Oxford Street.

2000s

Ron's son Rob joins the business and began modernising, improving and expanding the business.

If you know Leederville and the urban villages around Perth, you'll probably know Ron Edwards & Associates. We've been helping people buy, sell and invest in property here for over 40 years.

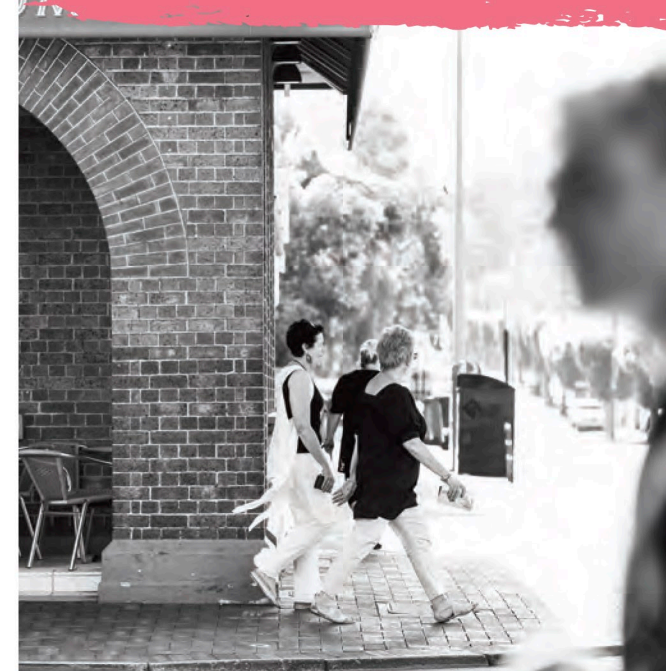

A lot has changed in that time, including our business, and we're about to take our next big step, which is good news for us, you and our community. **Watch this space...**

Ron Edwards & Associates is now HERE.

Stop by and check out our new home on the corner of Oxford and Bourke.

Hello. We're HERE, although you might know us as Ron Edwards & Associates. And if you know us, you'll know we're not like the real estate agent cliché. We've been providing straight-up, no-nonsense property advice and services more than 40 years.

WHY HAVE WE CHANGED OUR NAME?

Because, like a lot of our clients, it was time to move on. We'd outgrown our old office and branding. We needed a new name, look and address that we can grow into. And so, now we're HERE!
