

Your disability doesn't define you. Don't let it limit you.

Whatever your disability, whatever your goals, get the support you need from our committed and friendly team and get on with life.

What's on your wish list?

Get out and about. Try a new hobby or sport. Learn a new life skill, move into one of our Supported Independent Living homes. Volunteer in your community. Go to college, get a job or set up your own business. Tell us about your life goals – big and small – and we'll help you make them happen.

I am Tracey.

- Public speaker.**
- Pilates enthusiast.**
- Serial published author.**

Tracey gets support from our team three times a week to go to the gym, enjoy café life and visit the shopping mall. We've also helped her with her career as a successful author, accompanying her on visits to her publisher and providing support as she launched her fourth book. Tracey's fifth book is on the way!

At Mosaic, we believe in celebrating the diversity of all people, from all walks of life and backgrounds. Here, you'll be welcomed, supported and included, no matter your culture and heritage, race, religion, age, sexuality or gender.

Mosaic wishes to acknowledge the traditional custodians of the land on which our services are delivered – the people of the Noongar Nation. We acknowledge and pay respect to the Noongar people's ongoing culture, beliefs and relationship with the land, as well as their rich contribution to life in this region.
